

## KARPAS 353 Human B-cell Leukaemia cell line

**KARPAS 353 Human B-cell Leukaemia cell line useful in oncology research, developed at the University of Cambridge.**

Cambridge Enterprise Limited is the exclusive licensor for the Karpas cell line portfolio. We have partnered with ECACC (The European Collection of Cell Cultures; a Public Health England Culture Collection) to manage distribution of the majority of these cells on our behalf. Enquires to either organisation are welcomed.
